

CITRUS FRESH MEN'S AFTER SHAVE BALM LIME BUTTER/ORANGE BUTTER/MACADAMIA BUTTER

This very light, easily absorbed lotion provides a 100% naturally derived after-shave balm that spreads easily leaving a moisturized, non-greasy after feel. The formulation contains a mixture of Zenitech's citrus and macadamia butters, which provide silky skin feel along with skin caring benefits. Rosehip oil, along with black oat extract provides skin repairing properties, helping to soothe skin damage by the shaving process. This balm would be suitable for application from a tube or pump dispenser.

ECOCERT COMPLIANT

Manufacturing instructions:

Rehydrate the Aloe Vera with part of the water of phase A (at a ratio of 1:99). Disperse the acacia senegal gum and xanthan gum in the remaining water, heating to 75-80°C. Add the remaining ingredients of phase A and mix to disperse, maintaining the temperature at 78°C.

Heat phase B to 78°C and melt the waxy components. Add phase B to phase A and homogenize for 1-2 minutes. Continue gentle paddle stirring until temperature is below 40°C, then phase C and a blend of essential oils (if required) can then be added.
